Application Packet for hopeful sales reps for Elusion Clothing

This is the application packet for hopeful sales reps. This is majority owner, Danita Davis. I will let you know everything in this packet for becoming a sales rep. You will have to fill out this packet in order to become a rep. Filling this out will not guarantee you a position. We have a right to choose the most qualified in each city for the job. This is a job for those hopeful to one day have their own clothing line or those that like to promote products, etc.

The rep position lasts for one year. If after the year you still want to continue your position, you do not have to re-apply. For this position you will be required to do the following:

- You are required to promote Elusion any time possible. Whether its online or off, you are recommended to push this brand like it is your own. We will be watching, so do not try to be slick, it wont work. If you cant promote, you're looking at the wrong packet.
- You are responsible for any items sent to you by us to use. If by any chance you lose them, you will have to pay for replacements. More details on that will be given to those that are brought on for the position.
- You are required to be dressed in Elusion Clothing when out promoting. You can not wear Rocawear and not be promoting it. You must have on Elusion Clothing when working street team/sales rep. Discounts are given to those that become reps.
- Do not try to use your discount on clothing for your friends. This is the quickest way to get you released from the team.
